Safe Sleep Policy

At Fleckney Baptist Pre-school the welfare of our children is paramount. While many children of preschool age no longer require a midday nap, we recognise that some children still need rest to support their development and well-being. We aim to provide a calm, safe, and hygienic environment for this to happen within our setting.

What will happen:

If a child looks tired like they are falling asleep or if they fall asleep they will be placed onto a sleep mat.

The sleep mats are on the floor and will have a no loose blankets on them.

The children will be monitored and be in sight of an adult at all times whilst they sleep.

They will be checked that none of their clothing will be near their face or can go over their face whilst they sleep.

Their parents/carers will be informed of their sleep when they pick up.

This Policy was adopted at a meeting of the pre-school held on 25th August 2026

Signed on behalf of the pre-school: Rebecca Horseman (Manager)

Date to be reviewed: August 2027
